

COMMITTEES AND TEAMS: TERMS OF REFERENCE AND MEMBERSHIP

Last updated: February 2020; Approved by PCC: March 2020

The Committees and Teams which have formal terms of reference are as follows:

- Parochial Church Council (PCC)
- Standing Committee
- Fabric and Finance Committee
- Shared Ministry Development Team (SMDT)
- Worship Team
- Prayer Team

This report does not include all Committees and Teams, which are listed on a separate summary document, with their 'reporting relationship'. Each Committee and Team is expected to be largely autonomous, deciding on the frequency of meetings it requires to conduct its business, able to make decisions and carry on its business without referral to its parent body. However, it is important to define these reporting relationships so that when upward referral or downward delegation is necessary the route is clear.

PCC

The PCC is the ultimate decision-making body of the Church. All other Committees and Teams operate under delegated powers from the PCC.

Terms of reference

The following is taken from the PCC (Powers) Measure 1956 (as amended). The whole Measure is several pages long, so the following is an extract of the key points:

- 2 The functions of PCCs shall include:
 - a Co-operation with the minister in promoting in the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical;
 - b The consideration and discussion of matters concerning the Church of England or any other matters of religious or public interest, but not the declaration of the doctrine of the Church on any question;

 - d Giving advice to the diocesan synod and the deanery synod on any matter referred to the council;
 - e Raising such matters as the council consider appropriate with the diocesan synod or deanery synod.
- 3 In the exercise of its functions the PCC shall take into consideration any expression of opinion by any parochial church meeting.
- 4 The PCC of each parish shall have powers duties and liabilities with respect to:
- a The financial affairs of the Church including the collection and administration of all moneys raised for church purposes and the keeping of accounts in relation to such affairs and moneys;

(Extracted from 'Ministry Development Team Proposal for the Parish of Brancepeth')

Members of the team ensure that the following issues are regularly addressed as part of the Church's life:

- What are we (the Church) trying to do and be?
- What contributions can each person make towards fulfilling our purpose?
- What support and training are needed?

- How well are we doing?

Main elements of the team's work:

- Keeping the Christian community on track
- Promoting teamwork
- Building a network of links between people

More specific elements that the team will undertake:

- Helping each new priest-in-charge to work out how best to use his or her gifts and limited time in the parish
- Defining tasks for the "hands-on" teams, e.g. those looking after services, music and work with young people
- Exploring opportunities for fostering growth in faith through, for example, Advent and Lent groups
- Ensuring co-ordination between teams
- Starting things that we are not yet doing

The selection process for team members involved the Priest-in-charge choosing members but based on a process involving:

- an open nomination of names;
- a PCC meeting in which members made confidential recommendations on each name;
- working with an observer from outside the parish, the Priest-in-charge then decided who to invite.

This was last carried out in 2015 and is due to be repeated once there is a new Priest in Charge.
